## Actons - Unleashed

Actons are delighted to be the main sponsor of “Unleashed” - a collaboration of Local National and International creative industries who have joined together to promote Nottingham as a creative capital. Recent research from EMDA has identified that half the creative industry companies located in the East Midlands are based in Nottingham and that currently the region ranks as the 4<sup>th</sup> most creative city in the UK.

The Unleashed exhibition is to be launched to the press on Thursday 13<sup>th</sup> September and is then open to the public on Saturday 15<sup>th</sup> September at Davenport Cabinet Works in Radford. The exhibition will then be taken to Designers Block in London and will also be at Broadway Cinema on the 18<sup>th</sup> October for a party to celebrate the 1<sup>st</sup> Nottingham Creative Awards.

Sarah Davenport, organiser of Unleashed said -“The unleashed team was so pleased that this display of faith within Nottingham came from Actons. Actons have demonstrated by being part of unleashed and sponsoring it, their foresight into the realisation that design is not skin deep nor belonging to an exclusive group.
