## Actons' quality recognised with Lexcel Accreditation

Nottingham Law Firm Actons has been accredited with Lexcel, the practice management quality mark from the Law Society.

The Lexcel practice management standard is only awarded to solicitors who meet the highest management and customer care standards. Lexcel accredited practices undergo rigorous independent assessment every year to ensure they meet required standards of excellence in areas such as client care, case management and risk management.

Having already achieved ISO 9001 and Investors in People, Actons are delighted to now be awarded Lexcel. Director Claire Bell said “

“This nationally recognised quality mark is testament to the hard work and effort of all our staff members. It is confirmation of the importance the firm as a whole places on providing excellence in the service we give to our clients.”
