

Press Release

Tom Payne, Peter Seymour & Heidi Gleadhill

Actons promotes two!

Nottingham Law Firm Actons has recognised quality within with the promotion of two members of the Personal Injury team. Tom Payne has been appointed Director and Heidi Gleadhill is promoted to Associate, helping Actons continue to grow in strength and consolidate its position as a key player in the legal market in Nottingham and the East Midlands.

Tom has worked as a Solicitor in the Personal Injury Department for over 12 years since qualifying at Actons and acts for both Claimants and Defendants. He has a particular interest in IT issues and has been heavily involved in the development and implementation of the department's case management system, enabling the Personal Injury Team to effectively and efficiently handle clients' claims.

Heidi joined Actons in 2000 as a Legal Executive and, after completing further study, was admitted to the Roll of Solicitors in January this year. Heidi has 13 years' experience in acting for Claimants and has succeeded in obtaining six figure settlements for clients.

Tom and Heidi have both been instrumental in the creation and maintenance of Actons' dedicated personal injury website, www.actons-solicitors.co.uk. This is an interactive site which enables new clients to find out what is involved in making a claim and to contact Actons to represent them.

Chairman **Peter Seymour** says: "Both Tom and Heidi are excellent lawyers who have built up strong client relationships within the Personal Injury Department enabling them to contribute fully in the success of the firm. Their appointments underline the strength of Actons and its on-going commitment to provide a top quality service for our clients".
